Our benefits debit card is the fastest and most convenient way to access your funds and pay for eligible expenses. Just one debit card is all you need for your card-eligible benefits with us.

While the IRS requires documentation for certain spending and reimbursement benefits, we automate some of that substantiation through:

5GUddfcj U.

once the claim has been approved and you make that same purchase for the same dollar amount at that merchant, the recurring claim will be automatically approved.
