Cultural Anthropology Bibliography
Latt Revised Fall

u DD

The books

on the list are important background reading to help prepare you for the General M A Exams. These
books should supplement what you are covering and leaining in your course

We have selected works by a wide range of scholars anthropologists and non anthropologists alike
Students should be aware of the works published by these scholars both before and after the ones
included here. In addition the facult recommends that you review the Annual Review of Anthropology
and other key journals for articles that capsure theoretical empirical tensions erevant to your own work
